

Construction-License

For the Experimental-plane Cherry BX-2

You decided to purchase a set of plans for the cherry on [REDACTED].
May you enjoy building and finally flying this outstanding plane.

The following terms and conditions apply:

1. Purchasing the plan set reserves you the right to build one Cherry BX-2 for private use.
2. Your license number is [REDACTED]
3. You will receive one set of all necessary drawings, lists of material and building instructions as a digital copy on a disc.
The plans are available as paper-prints for an extra fee on special request.
4. Any necessary advice is offered free of charge and you have the right to inspect a Cherry for details.
5. Individual changes to the plans must be submitted to the licensor and may only be executed with the written approval of the licensor.
6. The above mentioned services are covered by a license fee of [REDACTED].
Extensive calculation for individual requests may be charged separately.
7. If the plan-set or a started project should be sold to a third party, the building rights will be transferred to that person on the condition, that his/her name and address are provided to the licensor.
8. The licensor accepts no product liability.
9. The licensee agrees to use the plans or personal copies of the plans only for building and registration of his/her Cherry. It is not allowed to distribute or publish the documents without written permission of the licensor.
